

# David Wayne Hooks Pilot & Tower Personnel Meeting

The talk will be an overview of Hooks aircraft movement, working with a control tower and how it helps the pilot.

**Directions:** West on FM2920 from I-45 North, to Stuebner Airline Road, turn South on Stuebner Airline Road. David Wayne Hooks Airport is on the right. Stay on Stuebner Airline Road and look for the "Blue" Texas Flight School Sign, enter at that gate, go to end of road, flight school will be on the left. Call Flight school for temporary gate code, phone number 832-717-7066.

## A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
